

## Round Up Information

### Appliance/Electronics Round Up:

An appliance round up is sponsored at the Recycling Center in the spring. Items accepted at this round up include stoves, refrigerators, microwaves, televisions, computers, etc. for a minimal fee.

### Tire Round Up:

A tire round up is sponsored in the spring as well as fall. All tires that are NOT on rims are accepted. A minimal fee is based on the size of the tire.

### Chemical Clean Sweep:

A Chemical Clean Sweep is sponsored periodically, usually in early summer. Any type of chemical including herbicides, pesticides, mercury, lead based paints, thinners, etc. can be turned in for disposal with this eco-friendly collection. This is a NO FEE collection program.

Watch the newspaper for details on any of the round up's, check out the details on the Jackson County website or call the Zoning and Land Information Department for more information
