## **Ordinance No. 2019-1: Town of North Bend Driveway Permit Ordinance**

An Ordinance of the Town Board of the Town of North Bend, Jackson County WI to regulate, for public healthy and safety reasons, the establishment, repair, construction, improvement, modification, and reconstruction of driveways. No person may establish or construct a driveway or reconstruct, reroute, or alter any public roadway access onto a public roadway without first obtaining a Town Driveway Permit to be issued by the town board or its designee. All driveways in the town for which a Town Driveway Permit is required shall meet all of the following minimum requirements. No permit shall be issued unless the materials submitted demonstrate compliance with the requirements of this section:

1. All driveways should have a 15ft setback from an adjacent property line
2. There shall be a minimum of spacing of 75ft between any driveway or access points to a public roadway measured from the pavement edge or the edge of improved portion of a non-paved driveway.
3. All driveways shall have culverts of an appropriate size to maintain proper ditching unless deemed unnecessary by official decision of the town board.
4. Driveways shall be constructed to provide adequate access for emergency vehicles to access any buildings to which the driveway serves.
